

Course Title	Health and Safety Inspection	Duration	One day	Health and Safety Regulation
Aim	<p>Local Authorities are required to make 'adequate arrangements for the enforcement' of health and safety but what exactly does this mean? What guidance is issued and must you follow it? What proactive work must you do?</p> <p>By the end of this course, you will have examined the statutory guidance on Local Authority Priorities and Targeted Interventions for Health and Safety at work, and considered how to develop a work plan. You will also have considered how to conduct the inspection and what information you will need to obtain.</p>			
Prerequisites	A reasonable understanding of health and safety law including Inspectors' powers			
NB : You will have to do some pre-course work before attending the course.
