

VENUE MAP LONDON ENFIELD

The Business Innovation Centre (BIC)

Innova Park, Mollison Avenue, Enfield, Middlesex, EN3 7XU, UK Tel: 020 8350 1350

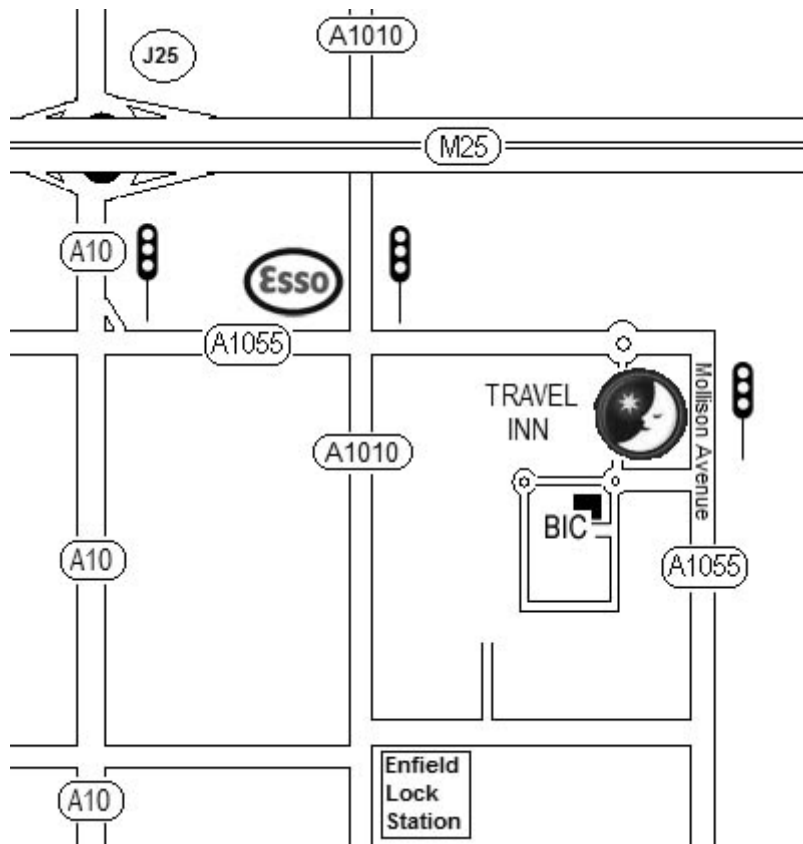

Leave the M25 at Junction 25, taking the A10 southbound (towards London). Stay in the LEFT HAND LANE. At the first set of traffic lights turn LEFT onto the A1055 – BULLSMORE LANE. Stay on this road, through another set of lights & keep going until you come to a roundabout with Innova Park signposted to the right. DO NOT TAKE THIS EXIT – go straight over. The road bears round to the right. Get into the RIGHT HAND LANE and, at the traffic lights, turn RIGHT. At the barrier tell them you are going to the Business Innovation Centre. Turn left at the roundabout and FIRST RIGHT and park.

OR – From the A406 (North Circular Road) turn north onto the A1055. Continue on this road for some distance until you reach a set of traffic lights with a left hand turn only – you can see the travel inn in front and to your left. At the barrier tell them you are going to the BIC. Turn left at the roundabout and FIRST RIGHT and park.

Enfield Lock station (British Rail). Turn right out of the station and cross the (small) main road. Turn into Tyso Avenue and follow it. As the 'road proper' ends you'll see a water fountain. Bear right between a car park and a block of flats. Keep straight on until you see the Business Innovation Centre ahead of you in the distance. The walk takes ten to fifteen minutes. (Or – Turn left out of the station and find a cab office in the parade of shops. A taxi should get you to the BIC in about five minutes.)

MAP NOT TO SCALE!
