

Assessment of Prior Learning

Event Title	Professional Certificate and Diploma : Investigations and Investigation Management	Duration	One or Two days
Outcomes	<p>Suitable for those with a broad knowledge of investigations and several years' experience, this route to achieving a Professional Qualification accredits prior learning, assesses knowledge and signposts any top-up training needed for areas that are outside your current experience.</p> <p>By the end of this intensive assessment programme, you will either have achieved the Professional Certificate or Diploma, or will know exactly what you need to do to get there! (The duration of the assessment (one or two days) is dependent on the qualification and the number of candidates being assessed.)</p>		
Prerequisites	<p>This is an <i>Assessment of Prior Learning</i>, so <u>no teaching is included in this event</u>. There is no formal prerequisite, as delegates are assessed on their knowledge and performance.</p>		
Method	Content		
Pre-assessment Pack	<ul style="list-style-type: none"> ◆ You will receive a PDF revision pack and a full set of practice assessments, so that you know what to expect during the assessment days. The pack will be sent out around four weeks before the assessment, so that you have plenty of time to revise. 		
Generation of Evidence	<ul style="list-style-type: none"> ◆ For some of the areas covered by the qualification, you will be required to generate your own evidence prior to the assessment days. Detail of what is required is included with the pre-assessment pack. 		
Open Assessment Days	<ul style="list-style-type: none"> ◆ You will attend either the ITS offices or one of ITS's training venues, where you will undertake assessments which are designed to allow you to demonstrate the criteria. Assessment normally lasts for two days. 		
Post Course Report	<ul style="list-style-type: none"> ◆ A report on your performance will show how you performed in each of the assessments, and will suggest a study route for those candidates who have not yet achieved the standards.
