

Course Title	RIP(S)A Applications & Authorisation	Duration	One day	Investigation
<b>Aim</b>	<p>Working within public body investigation means that if you want to carry out surveillance, or use a covert human intelligence source, you've got to get to grips with the Regulation of Investigatory Powers (Scotland) Act 2000 (RIPSA).</p> <p>In today's surveillance climate where it's more important than ever that you comply with the regulations, you'll want to make sure that you and your authority are doing it right.</p> <p>Don't get caught out, make sure that you know how to apply for directed surveillance, understand proportionality and necessity properly, know about all of the RIPSA procedures and how to properly oversee the application process.</p>			
<b>Prerequisites</b>	None			
Outcome		Content
